PRODUCT DISCONTINUATION NOTICE

Dear Valued Lantronix Customer,

As technology and business needs evolve, there will be cases where older products and technologies no longer meet market requirements, therefore periodically, it becomes necessary to end the production and shipment of certain products. The decision to discontinue a product is based on several factors, including the availability of certain manufacturing components needed to continue production, third-party manufacturers' product discontinuation, or the introduction of a newer product with more advanced features and functionality.

Please refer to the table below for the various end-of-life milestones, definitions, and dates for the affected product(s). For customer with active and paid support contracts, support will be available under the terms and conditions of the customer's service contract.

End-of-Life Milestones and Dates for Dell R710 Control Center

Milestone	Definition	Date
End-of-Sale Date	The last date to order the product through Lantronix and its partners. The product is no longer available for sale after this date.	February 1, 2018
End of Hardware Support	The last possible date to receive applicable service and support for the product hardware as entitled by warranty terms and conditions.	February 1, 2018
End of Software Support	The last date that Lantronix may release any final software maintenance releases or bug fixes. After this date, Lantronix will no longer develop, repair, maintain or test the product software.	N/A
