

## Product Discontinuation Notice

August 1, 2017

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue two chassis within our Point System 2-Slot Chassis product family. Listed below are the discontinued model numbers, along with the product descriptions.

**Discontinued P/N**

CPSMC0200-221  
CPSMC0200-226

**Description:**

2-Slot Point System Chassis with Redundant Dual Power Inputs and Last Gasp  
2-Slot Point System Chassis with Redundant Dual Power Inputs

The two other Point System 2-slot chassis' (CPSMC0200-200 and CPSMC0200-210) will continue to be available through the end of 2017, at which time all Point System chassis products will be going End-of- Life, as previously announced in January of 2016.

**Last Order Date**

Orders will be accepted for the discontinued product through August 31, 2017 or while supplies last.

**Replacement Product:**

The ION Platform of media conversion is the replacement for the Point System. The ION Platform offers a 2-slot chassis that includes both AC and DC power inputs, ION002-AD. The ION 2-slot chassis is currently in stock and available for shipping.

**Closing**

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,  
Transition Networks Management Team
