

## Product End-of-Life Notice

January 8, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the S3280-TST Network Interface Device (NID). This NID provides advanced packet performance metering and service creation directly at customer premises and cell sites.

Discontinued Product:

<b>Model</b>	<b>Description</b>
S3280-TST	NID with (4) 10/100/1000Mbps RJ-45 ports and (4) 100/1000Mbps open SFP ports, includes IEEE 1588v2 and RFC2544 traffic generator
S3280-19RM	19" Rack Mount Kit for S3280-TST

Alternative Product:

Transition Networks will not be offering a direct replacement, however other devices are available to meet your NID requirements.

<b>Model</b>	<b>Description</b>
S3290-24	NID (2) 10/100/1000Mbps RJ-45 ports with (4) 100/1000Mbps SFP ports
S3290-42	NID (4) 10/100/1000Mbps RJ-45 ports with (2) 100/1000Mbps SFP ports

Last Order Date:

Orders will be accepted for the discontinued product through April 9, 2018 or while supplies last.

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
