Product End-of-Life Notice

February 16, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue several models within our 1Gbps fixed optic fiber to fiber converter family. The discontinuation is due to limited demand for these specific devices and is also part of the larger discontinuation plan for the Point System family of media converters, first announced back in January of 2016.

Discontinued Product:
