

Product End-of-Life Notice

March 15, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue our E-TBT-MC05(MER). This is a 10Base-5 AUI to 10Base-T RJ-45 transceiver. This discontinuation is due a reduction in demand for this customer specific version.

Discontinued Product:

Model	Description
E-TBT-MC05(MER)	10Base-5 AUI (DB-15) 50m to 10Base-T (RJ-45) 100m transceiver, customer specific version

Replacement Product:

Direct replacement product will not be available.

Last Order Date:

This discontinuation is effective immediately.

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
