Product Discontinuation Notice

March 19, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the two remaining versions of our Point System 2-Slot Chassis product family. Listed below are the discontinued model numbers, along with the product descriptions. This discontinuation is part of the larger discontinuation plan for the Point System family of media converters, first announced back in January 2016.

Discontinued P/N

CPSMC0200-200

CPSMC0200-210

Description:

2-Slot Point System Chassis

2-Slot Point System Chassis with Last Gasp

Last Order Date

Orders will be accepted for the discontinued product through June 30, 2018 or while supplies last.

Replacement Product:

The ION Platform of media conversion is the replacement for the Point System. The ION Platform offers a 2-slot chassis that includes both AC and DC power inputs, ION002-AD. The ION 2-slot chassis is currently in stock and available for shipping.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
