

Product Discontinuation Notice

July 13, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue our Din Rail Bracket Kit (DMBM) for our Industrial Mini media converters.

Discontinued P/N
DMBM

Description:
Industrial Mini Power Cable and DIN Mounting Kit

Last Order Date

This End of Life is effective immediately and a last time buy opportunity will not be available for this product.

Replacement Product:

Direct replacement product will not be available. However this kit will continue to be included as part of each Industrial Mini converter we ship. It will be identified within the product BOM structure as sub-assembly A1-F10545.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
