Product Discontinuation Notice

Oct.16, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you that the following part number has gone End-of-Life (EOL).

Discontinued Products:

S4140	10G Carrier Ethernet NID, (4) 1000/10GBase SFP+ ports
S4140/2XCES-PSU-AC	10G Carrier Ethernet NID, (4) 1000/10GBase SFP+ ports, with 2 AC power inputs

Replacement Products:

There is no direct replacement product at this time. However, Transition Networks offers other 10 Gigabit Media Converters may meet your further need.

Last Order Date:

Orders for S4140 and S4140/2XCES-PSU-AC will be accepted through Jan.15 or while supplies last.

Closing:

As always, we look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
