Product Discontinuation Notice

October 25, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the following ExpressCard PCIe Fast Ethernet Fiber Network Interface Cards due to limited demand for these older technology NICs. Listed below are the discontinued model numbers along with product descriptions.

Discontinued Part Number	Part Description
NEC-FXE-SC-02	100Base-FX ExpressCard 1300nm MM SC [2 km/1.2 mi], Link Budget: 12.0 dB
NEC-FXE-ST-02	100Base-FX ExpressCard 1300nm MM ST [2 km/1.2 mi], Link Budget: 12.0 dB

Replacement Product:

Transition Networks will not be offering a replacement product due to the aging technology. However, we do offer many other options for fiber at the desktop, so please feel free to contact us for other available solutions.

Last Order Date

Orders will be accepted for the discontinued product through January 31, 2019, or while supplies last.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
