Product Discontinuation Notice

July 31, 2019

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the following PCI Fast Ethernet Fiber Network Interface Cards due to limited demand as well as limited availability of end of life components. Listed below are the discontinued model numbers along with product descriptions.

Discontinued Part Number	Part Description
N-FX-LC-03	100BASE-FX 1300nm multimode (LC) [2km/1.2mi] Link Budget: 12 dB
N-FX-SC-03	100BASE-FX 1300nm multimode (SC) [2km/1.2mi] Link Budget: 12 dB
N-FX-ST-03	100BASE-FX 1300nm multimode (ST) [2km/1.2mi] Link Budget: 12 dB
N-FX-MT-03	100BASE-FX 1300nm multimode (MT-RJ) [2km/1.2mi] Link Budget: 14.5 dB

Replacement Product:

Transition Networks will not be offering a direct replacement product for these older technology NICs. Please feel free to contact us for other available solutions.

Last Order Date

Orders will be accepted for the discontinued product through November 29, 2019, or while supplies last.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
