

## Product Discontinuation Notice

July 29, 2019

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue one of our layer-2 10/100/1000 Ethernet copper to fiber media converter within our C3210 product family. Listed below is the discontinued part number, along with a product description.

### **Ion Platform Slide-in-Cards**

#### **Discontinued P/N**

C3210-1024

#### **Description:**

10/100/1000BASE-T RJ-45 to 1000BASE-SX 1310nm Ext. MM SC 2km

#### **Last Order Date**

Orders will be accepted for the discontinued product through August 31, 2019, or while supplies last.

#### **Replacement Product:**

A direct replacement product will not be offered. However the same transmission distances can be achieved with an open SFP converter (**C3210-1040**) and the appropriate SFP module to match your required fiber type and transmission distance.

#### **Closing**

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,  
Transition Networks Management Team
