Product End-of-Life Notice

May 21, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue a couple cables used with our now obsolete High Speed Serial copper to fiber media converters. Listed below are the affected part numbers and their descriptions.

Discontinued Product:

Serial cables used with the Point System High Speed Serial converters, xPSVT26xx-100

Model	Description
530DCE-3	RS530 Serial Cable, 26-pin to DB-25F, 3 meters
530DTE-3	RS530 Serial Cable, 26-pin to DB-25M, 3 meters

Replacement Product:

A direct replacement product will not be offered.

Last Order Date:

This End of Life is effective immediately

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
