

Product End-of-Life Notice

December 11, 2017

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue our 8-slot Point System chassis product family. This includes the 1RU, 8-slot chassis and the redundant external power supplies. The end-of-life announcement is part of the larger discontinuation the Point System family of media converters announced back in January of 2016.

Discontinued Product:

Model	Description
CPSMC0800-100	8-slot Point System Chassis with an AC Power Supply
CPSMC0800-100-GD	8-slot Point System Chassis with an AC Power Supply, customer specific configuration
CPSMC0810-100	8-slot Point System Chassis with a DC Power Supply
CPSMP-180	Redundant External AC Power Supply for 8-Slot Point System Chassis
CPSMP-190	Redundant External DC Power Supply for 8-Slot Point System Chassis

Replacement Product:

Replacement product can be found in The ION Platform. While the ION is not a direct replacement, the new platform offers similar functionality along with enhanced management capabilities. The ION Platform uses its own set of chassis', power supplies, management modules, and media converter slide-in-cards. The ION chassis does support the use of Point System cards via the IONADP adapter. For further help with your ION configuration, please contact your Transition Networks sales representative. Listed below are the options for replacement product and their descriptions.

Model	Description
ION106-A	ION 6-slot Chassis with an Internal AC Power Supply
ION106-D	ION 6-slot Chassis with an Internal DC Power Supply
IONPS6-A	Redundant Internal AC Power Supply Module
IONPS6-D	Redundant Internal DC Power Supply Module

Last Order Date:

Orders will be accepted for the discontinued product through March 31, 2018 or while supplies last.

Closing:

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
