

Product End-of-Life Notice

February 15, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue our 18-slot Point System chassis product family. This includes the 2RU 18-slot chassis in both AC powered and DC powered configurations. The end-of-life announcement is part of the larger discontinuation the Point System family of media converters announced back in January of 2016.

Discontinued Product:
