Product End-of-Life Notice

January 15, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the remaining Point System chassis cards within our High Speed Serial copper to fiber media converter family. Listed below are the affected part numbers and their descriptions.

Discontinued Product:
Point System Chassis Card for High Speed Serial Remotely Managed Media Converter supporting V.35 / X.21 / RS449 / RS530 / RS232

Model	Description
CPSVT2614-100	26-Pin to 1310nm Single mode SC 20km
CPSVT2629-100	26-Pin to 1310nm TX / 1550nm RX Single Fiber, Single mode SC 20km
CPSVT2629-101	26-Pin to 1550nm TX / 1310nm RX Single Fiber, Single mode SC 20km

Replacement Product:
A direct replacement product will not be offered, however in certain applications, the Transition Networks RS-232 converters may meet your networking requirements.

Last Order Date:
Orders will be accepted for the discontinued product through March 31, 2021 or while supplies last.

Closing:
We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,

Transition Networks Management Team
