Product Discontinuation Notice

May 26, 2017

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the following ExpressCard PCIe Fast Ethernet Fiber Network Interface Card due to limited demand. Listed below is the discontinued model number along with product description.

Discontinued Part Number	Part Description
NEC-FXE-LC-02	100BASE-FX 1300 nm Multimode (LC) [2 km/1.2 mile] Link Budget: 13.0 dB

Replacement Product:

Transition Networks will not be offering a direct replacement product. However, there are versions of this product with other connector types still available. Please feel free to contact us for other available solutions.

Last Order Date

Orders will be accepted for the discontinued product through August 25, 2017, or while supplies last.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
