

Product Discontinuation Notice

March 17, 2022

Dear Valued Customer / Partner:

Lantronix would like to inform you of our plans to discontinue the following chassis-based SNMP management software. Listed below is the discontinued model number along with product description.

Discontinued Part Number	Part Description
Focal Point Software	Focal Point SNMP Software Management Platform

Replacement Product:

There will not be a replacement for this free software. Customers may seek similar functionality from third party SNMP browsers that can accommodate a wider range of equipment.

Last Order Date

This was a free downloadable software, so there will be no usual last order date.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Lantronix Management Team
