Product Discontinuation Notice

March 23, 2017

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue support for the fixed optics used in our ION x3230 family of converters. These are enterprise grade 10/100/1000Mbps OAM/IP Managed Media Converters. Only the fixed optic versions will be discontinued, while the SFP-based x3230 converters will continue to be available. Listed below are the discontinued model numbers.

<u>Discontinued P/N</u>	<u>Description:</u>
C3230-1013	ION Chassis Cards with IEEE 802.3ah Link OAM, 802.1ag Service OAM, and ITU Y.17 10/100/1000Base-T RJ-45 to 1000Base-SX SM SC 20km
C3230-1014	10/100/1000Base-T RJ-45 to 1000Base-LX SM SC 20km
S3230-1013	ION Stand-alone Converter with IEEE 802.3ah Link OAM, 802.1ag Service OAM, and ITU Y.17 10/100/1000Base-T RJ-45 to 1000Base-SX SM SC 20km
S3230-1014	10/100/1000Base-T RJ-45 to 1000Base-LX SM SC 20km

Last Order Date

Transition Networks will continue to accept orders for the discontinued product through June 23, 2017, or while supplies last.

Replacement Product:

Direct replacement product will be available in the form of an identical converter with an open SFP slot instead of the fixed SC fiber connector. This SFP-based converter can be combined with the appropriate SFP module to match the fiber type and transmission distance required. Below is a replacement cross-reference table.

<u>Discontinue Part Number</u>	<u>Replacement Part Number</u>	<u>Plus Specific SFP Module Part Number</u>
C3230-1013	C3230-1040	TN-SFP-SX
C3230-1014	C3230-1040	TN-SFP-LX1
S3230-1013	S3230-1040	TN-SFP-SX
S3230-1014	S3230-1040	TN-SFP-LX1

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
