

## Product Discontinuation Notice

June 30, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue a couple model numbers within our LIB-306 product family. Listed below are the discontinued model numbers along with their product descriptions.

| <b><u>Discontinued P/N</u></b> | <b><u>Description:</u></b>   |
|--------------------------------|--|
| LIB-306-24                     | Gigabit Ethernet NID, (2) 10/100/1000Base-T RJ-45 Ports and (4) 100/1000Base-X SFP Ports |
| LIB-306-24-AC                  | Gigabit Ethernet NID, (2) 10/100/1000Base-T RJ-45 Ports and (4) 100/1000Base-X SFP Ports |

### **Last Order Date**

Orders will be accepted for the discontinued product through September 30, 2021, or while supplies last.

### **Replacement Product:**

Direct replacement product will not be offered, however similar functionality can be found in the S3290-24.

### **Closing**

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,  
Transition Networks Management Team
