Product Discontinuation Notice

January 19, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue a couple models of our layer-1 100Mbps Ethernet mini copper to fiber media converter within our M/E-TX-FX-01 product family. Listed below are the discontinued part numbers, along with a product description.

Mini Media Converter

Discontinued P/N

M/E-TX-FX-01(100)

M/E-TX-FX-01(101)

Description:

100Base-TX RJ-45 100m to 100Base-FX 1310nm TX / 1550nm RX Single Fiber, Single mode SC 20km

100Base-TX RJ-45 100m to 100Base-FX 1550nm TX / 1310nm RX Single Fiber, Single mode SC 20km

Last Order Date

Orders will be accepted for the discontinued product through February 28, 2021 or while supplies last.

Replacement Product:

A direct replacement product will not be offered. However similar product and transmission distances can be found in combining a SFP based converter (M/E-TX-FX-01(SFP)) with an appropriate SFP module.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
