

# *Carrier Ethernet Certification*

## **xFBRM Family of Remotely Managed Media Converters**

Manufactured by:

### **TRANSITION NETWORKS**

6475 City West Parkway  
Eden Prairie, MN 55344

Iometrix hereby certifies that the xFBRM Family of Remotely Managed Media Converters operating at the UNI delivers EPL and EVPL services compliant with the Metro Ethernet Forum MEF 14 technical specification. This certification is valid by similarity for the xBFFG Family of Remotely Managed Media Converters.

The xFBRM Family of Remotely Managed Media Converters was tested by Iometrix in accordance with the *Iometrix Test Plan for Traffic Management* as approved by the MEF Certification Committee and was found to comply with all applicable service requirements as detailed in the Iometrix Test Reports referenced below.

Robert Mandeville, President  
June 7, 2007
