PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

Lantronix is pleased to announce availability of the RoHS compliant (Restriction of use of certain Hazardous Substances) SCS100 Console Server in compliance with the European Union's RoHS regulatory requirements.

For quality and tracking purposes, Lantronix is changing the product part numbers. Form, fit and function of the new RoHS compliant product is unchanged, and no design changes have been made. The current non-RoHS product will be discontinued, as explained further in this notice.

Old Part No.	New RoHS Equivalent	Description
SCS100-11	SCS100-22	Secure Console Server, 1 port, 100-240 VAC, 50/60 Hz international adapter
SCS100-12	SCS100-22	Secure Console Server, 1 port, 100-240 VAC, 50/60 Hz international adapter

Note: For SCS100-11 customers, the suggested SCS100-22 replacement is equipped with an international style wall-mount power supply that accommodates both 115VAC North American use, as well as other international standards (Continental Europe, United Kingdom, and Australia), through the use of interchangeable plugs.

RoHS COMPLIANT SCS100 AVAILABILITY

Orders for RoHS compliant SCS100's are now being accepted, and product pricing is unchanged. Production volume shipments are expected to begin on August 18, 2006.

LAST TIME BUY AND SHIPMENT DATES (END OF LIFE EFFECTIVE DATES):

The Last date to place orders for non-RoHS SCS100 products is September 29, 2006, and the last date of shipment is October 31, 2006. After these dates, only orders for RoHS compliant SCS100's will be accepted, and shipped.

RoHS BACKGROUND INFORMATION:

Feature/Enhancement	RoHS Description
RoHS-Compliance	Mandated by the European Parliament and Council of the European Union, RoHS (Restriction of use of certain Hazardous Substances) requires that manufacturers reduce the usage of hazardous substances including lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls, or polybrominated diphenyl in electrical and electronic equipment by July 2006.
