Product Discontinuation Announcement

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is discontinuing our non-RoHS Secure Console Servers, the SCS1600 and SCS3200. Depending on the application, the suggested replacements are the RoHS-compliant SecureLinx™ Console Managers.

SecureLinx SLC is a feature-rich, secure replacement for SCS console servers and includes the following highlights:

- Reduce downtime and increase efficiency with any time, anywhere access to IT equipment
- Protect resources with enhanced security features
- Simplify installation and setup with easy to use tools
- RoHS-Compliant

The deadline for placing final non-cancelable, non-returnable purchase orders is **June 29, 2007*** and shipments must be scheduled no later than **September 14, 2007***, with ***availability subject to supplies on hand.**

The last day of support for this product is **September 30, 2008.**
