F33HGZ2B01	OX3-M1-BLE-WORLDWIDE-LTE-M/NB2 BANDS

### **Description and Extent of Change**

- Lantronix would like to notify you of a currently approved factory location(s) of existing Contract Manufacturer (CM) for those affected Lantronix Products.
- Currently Lantronix had fully approved a new Contract Manufacturer (CM) location for all assembly, test, and packing operations. The new factory location will be using similar testing equipment, processes and materials. The product will still be manufactured according to the same electrical and physical dimension specifications. Lantronix will ensure that appropriate process controls and monitors are in place at the new factory location to continue providing high quality product.
- The affected products will be identified under new factory location as shown in the table below.

### Current factory location
