PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

The purpose of this notification is to inform Lantronix' customers of changes to the label of XPort O4 and XPort Pro family of products. Lantronix needed to add higher degree of product traceability, and in addition improve the adhesion of the label to the chassis of the product.

1. The new label will now carry additional information, as detailed below, that will help Lantronix better track products. A sample of the updated labels for XPort and XPort Pro are shown below. The new labels will contain two additional pieces of information, as highlighted in note 9 and note 12.

Notes:
