PCN No.: 184

## PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

This is an amendment to PCN-173 (April 2012), which announced the release of CoBos firmware version 6.8.0.1. Lantronix is announcing the release of firmware version 6.8.0.2, which effectively replaces 6.8.0.1 with the following improvement:

Firmware version 6.8.0.2

- **Enhanced security when AES encryption is enabled**

Firmware version 6.8.0.1 (announced in PCN-173)

- **Support for datagram type 18 for DNS feature**
- **Advanced password support in Web GUI**
- **RFC793 support related to ACK Timeout retransmission**

For quality and tracking purposes, the manufacturing revision numbers on the product label will be updated as follows:
