PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

This is to inform you that a change will be made to the following product. This notification is for your information and concurrence.

Change Type

1. New Hardware Revision.
2. Box Content Change: Removed CD-ROM

Product(s) Affected

Part Number(s)	Description	Current Revision	New Revision
XSDRSN-02	XPress-DR: standard part	A13	A14
XSDRIN-02	XPress-DR-IAP: with installable industrial protocols	A14	A15

Description and Extent of Change

1. The existing Ethernet transceiver (PHY) Integrated Circuit (IC) used in our XPress-DR products has been discontinued by the manufacturer and no longer available. A replacement to the chip has been qualified which will substitute the existing chip. The XPress-DR product has been validated both hardware and software in order to ensure the maximum transparency for customers and functional backwards compatibility (if any).
2. The CD-ROM is no longer included in the box. CD-ROM contents, which may include software, documentation, and/or utilities, can be downloaded from the Lantronix website.

Effect of Change on Fit, Form, Function, Quality, or Reliability

There is no impact to product fit, form and function.

Effective Date of Change

Product shipment using this change will commence tentative in the beginning of October 2014.
