# **Description and Extent of Change**

The existing Memory Chip Module used in the XPort Pro has been discontinued by the manufacturer and is no longer available. A drop-in replacement memory module, which is pin-to-pin and function/feature compatible with the discontinued module, has been qualified and will be used on XPort Pro with the New Revision numbers referenced above.

Samples of XPort Pro with the new Memory Chip Module will be available by January 16, 2017. Please contact your local sales representative as soon as possible to place sample requests.

# Effect of Change on Fit, Form, Function, Quality, or Reliability

There is no impact to product fit, form and function.

### **Effective Date of Change**

Affected products with the new Memory Chip Module will begin shipping from the factory approximately by February 16, 2017.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
