

PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

This is to inform you of an upcoming change to the XPort XE RoHS Extended Temperature, Bulk Part# XP1001000-05R & XP1001000-05R J.

Change Type

Contract Manufacturer

Product Affected

Part Number	Description	Current Revision
XP1001000-05R	XPort XE RoHS Extended Temperature, Bulk with 00-80-A3-XX-XX-XX MAC address	B12
XP1001000-05R J	XPORT XE, EXTENDED TEMPERATURE, BULK WITH 00-80-A3-XX-XX-XX MAC ADDRESS - JAPAN ONLY, ROHS	C12

Description and Extent of Change

Lantronix would like to notify you of a newly approved factory location of existing Contract Manufacturer (CM) for product listed above. The factory in Lamphun Thailand is fully approved for all assembly, test, and packing operations. There are no changes to fit, form, and function of the finished product.

With this change, the additional factory location will be using similar testing equipment, processes and materials. Product will still be manufactured according to the same electrical and physical dimension specifications. Lantronix will ensure that appropriate process controls and monitors are in place at the new factory to continue providing high quality product.

The product will be identified with a factory location as shown in the table below.

	Current CM	Additional CM
Location	China	Thailand
Label Marking	Made in CHINA 01 or Made in CHINA 02	Made in Thailand

Reason for Change

This change is to ensure supply from multiple sources within the Lantronix supply chain.

Effect of Change on Fit, Form, or Function

There are no changes to electrical specification, external form, fit, function, quality or reliability in the final product.

Effective Date of Change

Product shipment from new Contract Manufacturer will be effective immediately.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
