Description and Extent of Change

Lantronix is pleased to announce the availability of new firmware release 3.0.31 for Spider and Spider Duo Product Family.

Refer to the release notes for a complete list of additional features and bug fixes.

Effect of Change on Fit, Form, Function, Quality, or Reliability

Functional changes as noted above.

For customers that would like to take advantage of the new capabilities immediately, the new firmware, associated release notes and upgrade instructions are available for download from our website, <http://www.lantronix.com/support/downloads>.

Effective Date of Change

Affected products will begin shipping with the new software from Lantronix Factory starting July 1, 2019.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
