Description and Extent of Change

Lantronix would like to notify you of a newly approved factory location of Contract Manufacturer (CM) for product listed above. The factory in Malaysia is fully approved for all assembly, test, and packing operations. There are no changes to fit, form, and function of the finished product.

With this change, the additional factory location will be using similar testing equipment, processes and materials. Product will still be manufactured according to the same electrical and physical dimension specifications. Lantronix will ensure that appropriate process controls and monitors are in place at the new factory to continue providing high quality product.

The product will be identified with a factory location as shown in the table below.

New CM	
Location	Malaysia
Label Marking	Made in Malaysia 01

Reason for Change

This change is to ensure supply from multiple sources within the Lantronix supply chain.

Effect of Change on Fit, Form, or Function

There are no changes to electrical specification, external form, fit, function, quality or reliability in the final product

Effective Date of Change

Product shipment from new Contract Manufacturer will be effective Immediately

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
