

## PRODUCT CHANGE NOTICE

Dear LANTRONIX Customer,

The purpose of this communication is to inform about the modification on the product label and introduction to a new Contract Manufacturer.

### **Change Type**

Lantronix introduce new updates with respect to our Contract Manufacturer (CM) locations and labels for the product lines listed in the table below,

- Country of Origin : China, Thailand,
- Product label change : New labels with Lantronix Logo

### **Products Affected**

All Modem, routers, trackers, GNSS.

### **Description and Extent of Change**

Lantronix is pleased to announce the introduction to one more contract manufacturer. This change will provide increased capacity and stronger purchasing power with our supplier.

Change of production site will affect the country of origin and we invite our customer to take necessary measure to ensure compliance with local import regulation entities.

Other noticeable change will be the introduction of a new label with the Lantronix logo on it.

### **Part affected:**

Product Variant	Part Number
Modem	ALL
Routers	ALL
Trackers	ALL
GNSS receiver	ALL

### **Effective Date of Change**

Affected products will begin shipping with the enclosed modification from 1<sup>st</sup> May 2020 onward.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
