

## PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you about our new fully qualified Contract Manufacturer (CM) location(s). This change is part of our effort and commitment to continuous improvement of our products and processes.

### **Change Type**

- Contract Manufacturer Location

### **Products Affected**

- All Lantronix Product Family

### **Description and Extent of Change**

- Lantronix would like to notify you of a currently approved factory location(s) of existing Contract Manufacturer (CM) for entire Lantronix Product Line.
- Currently Lantronix have three fully approved Contract Manufacturer (CM) locations for all assembly, test, and packing operations. All factory locations will be using similar testing equipment, processes and materials. The product will still be manufactured according to the same electrical and physical dimension specifications. Lantronix will ensure that appropriate process controls and monitors are in place at the new factory location to continue providing high quality product.
- For efficient order fulfillment and supply chain management Lantronix will choose any of these three CM locations for customer order fulfillment so customer can expect product coming out from any of these locations as listed below.

The product will be identified with a factory location as shown in the table below.

<b>CM Location # 1</b>	
<b>Location</b>	China
<b>Label Marking(s)</b>	Made in CHINA 01 Assembled in CHINA 01 CHINA 01 CN 01
<b>CM Location # 2</b>	
<b>Location</b>	Malaysia
