Description and Extent of Change

Lantronix is pleased to announce the release of SLS Application Firmware version 4.2.0. This new firmware offers several new features and improvements.

Refer to the release notes for a complete list of additional features.

For customers that would like to take advantage of the new capabilities immediately, the new firmware, associated release notes and upgrade instructions is available for download from our website, <http://www.lantronix.com/support/downloads>.

Effect of Change on Fit, Form, or Function

Functional changes as noted above.

Effective Date of Change

The affected products with the above changes will begin shipping from the factory by October 15 2020.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.
