We have compiled a few FAQs associated with this notice.

Q. Why are E215F002S and E225FLZ2S discontinued?

A. Today's SKU is using SIERRA HL8518 which will be EOL.

Q. Are there any other alternatives to E215F002S and E225FLZ2S ?

A. Yes, our E210 and E220 family are available today in 3G, LTE cat 1 or CatM depending on network availability.

Q. When are the replacement products available?

A. E225 full band coverage, E214 and E224 family are available right now while E213 will be released in may 2021.

While this is a different module it is the same product family from our supplier which guarantee us best compatibility with enhanced feature. We however request all our customer to validate the latest version or place stock order for the existing one.
