Description and Extent of Change

The SLC 8000 is changing its Dual AC power supply tray to be mounted more securely. A new threaded hole on the tray is to prevent the power supply from falling out of the product when unplugging power cords.

Effect of Change on Fit, Form, or Function

Form change as noted above.

Effective Date of Change

This change will go into effect the listed products built from February 11, 2021 onwards.
