PRODUCT DISCONTINUATION NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is announcing, effective immediately, the end-of-sale and end-of-life for the 88-HPSA+A, LM80/LM83X Penta-band HSPA+ Cellular Modem and associated Level Services.

Please refer to Table(s) 1 below for the various end-of-life milestones, definitions, and dates for the affected product(s). For customers with active and paid support contracts, support will be available under the terms and conditions of the customer's service contract.

Table 1: End-of-Life Milestones and Dates

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to everyone.	August 15, 2024
End-of-Sale Date	The last date to order the product through Lantronix and its partners. The product is no longer available for sale after this date.	N/A
Last Ship Date: Hardware	The last possible ship date that can be requested of Lantronix. Actual ship date is dependent on lead time.	N/A
Last Date of Warranty Support	The last date to receive applicable service and technical support for the product as entitled by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	August 15, 2024
End of Software Maintenance Release Date	The last date that Lantronix may release any final software maintenance releases or bug fixes. After this date, Lantronix will no longer develop, repair, maintain or test the product software	N/A

Please refer to the Table(s) 2, below for the product part numbers affected by this announcement and their corresponding replacement part numbers from the Out-of- Band Product Family.

Table 2: Affected Product Part Numbers

Discontinued Part Number	Replacement Part Number	Replacement Part Description
