

2-Slot Shelf for S3290 Series NID

Ordering Information

RMS19-NID2-01
2-Slot S3290 shelf, includes 4 device brackets and reversible rack mount ears

Media Converters

- Clean up your S3290 installations with this 19" rack mountable shelf
- Rack mount up to 2 of the S3290 devices in 1 unpowered shelf
- Space saving design: save rack space in low density deployments: 19" rack mount, 1RU high
- Includes reversible rack mount ears for either 19" or 23" rack mount installations
- Flexible:
 - Mix and match up to 2 Transition Networks S3290 Series NID devices
 - Deep enough to hold the external AC/DC power supply that ships with the S3290
 - Can also accommodate the S3290-RPS wide input DC power supply
- Includes 4 mounting brackets, 2 for each of the S3290 Series NIDs
- Securely mounts the S3290 into the shelf
- Non-powered design: don't pay for power supplies twice. This low cost design allows the use of the power supplies that ship with the media converter.
- Power cord tie-down clamps: help to eliminate the accidental disconnection of power supplies from the media converters.
