Product Discontinuation Notice

July 19, 2021

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue the remaining active products in our SGPOE family of PoE Media Converters. Listed below are the discontinued model numbers, along with the product description.

Discontinued P/N

SGPOE1013-100
SGPOE1039-100
SGPOE1040-100

Description:

10/100/1000Base-T PoE to 1000Base-SX 850nm MM SC
10/100/1000Base-T PoE to 1000Base-SX 850nm MM LC
10/100/1000Base-T PoE to 1000Base-X Open SFP Slot

Last Order Date

Orders will be accepted for the discontinued product through December 17, 2021, or while supplies last.

Replacement Product:

Direct replacement product will not be available. However, similar functionality can be found in our SGPAT family of Gigabit Ethernet PoE+ media converters.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
