Last Order Date

Orders will be accepted for the discontinued product through April 30, 2021, or while supplies last.

Replacement Product:

Direct replacement product will not be offered, however alternative product will be found in a POTS converter designed for The ION Platform. The ION version will be an SFP based product and is expected to be available in Q2 2021.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
