Product Discontinuation Notice

May 31, 2018

Dear Valued Customer / Partner:

Transition Networks would like to inform you of our plans to discontinue our 10Gig Ethernet media converters within the Point System product family. Listed below is the discontinued model numbers, along with product descriptions. This discontinuation is part of the larger Point System discontinuation plan, first announced back in January 2016.

Discontinued P/N

CTGFF4747-100
CTGFF4848-100
STGFF4747-100
STGFF4848-100

Description:

10GBase-x open XFP to 10GBase-x open XFP Point System Card
10GBase-x open SFP+ to 10GBase-x open SFP+ Point System Card
10GBase-x open XFP to 10GBase-x open XFP Stand-alone Media Converter
10GBase-x open SFP+ to 10GBase-x open SFP+ Stand-alone Media Converter

Last Order Date

Orders will be accepted for the discontinued product through October 31, 2018, or while supplies last.

Replacement Product:

Direct replacement product will not be available. However alternative 10Gbps devices can be found within the ION Platform of media conversion products, such as the x4110-4848.

Closing

We look forward to new opportunities to support your networking requirements with our comprehensive product line. Should you have any questions, please contact your sales representative.

Sincerely,
Transition Networks Management Team
